Summary:

Digest: The Act makes laws about unpaid wages for workers who work on construction projects. (Flesch Readability Score: 65.7). Makes an owner and a direct contractor jointly and severally liable in a civil action for any unpaid wages owed to the unrepresented employees of the direct contractor and subcontractors at any tier. Provides the statute of limitations for actions regarding recovery for unpaid wages. **Specifies that the joint and several liability provisions for unpaid wages do not apply to construction work relating to real property that is used as the owner's principal residence or real property with five or fewer residential or commercial units on a single tract.** Clarifies that the Attorney General may accept the assignment of claims and bring civil actions in the name of the State of Oregon on such claims. Permits the Attorney General to adopt rules regarding the assignment of claims. Requires notice to be sent by certified mail that informs the owner and the direct contractor of the alleged violation and specifies the time period within which the owner and the direct contractor may correct the alleged violation. Creates a rebuttable presumption that, in any action for unpaid wages, the person performing labor on a construction project is an employee. Provides that the party claiming otherwise may rebut the presumption by establishing that the person qualifies as an independent contractor. Provides that an owner may bring an action against a direct contractor to recover damages for amounts paid by the owner. Requires subcontractors to provide certain payroll records and other information to the owner or the direct contractor, upon request. Provides that subcontractors shall provide certain payroll records to an authorized third party representative in certain circumstances. Permits the owner and the direct contractor to withhold payment to a subcontractor in certain circumstances. Clarifies that the owner or direct contractor may withhold payment in an amount and to the extent that the owner or direct contractor paid, on behalf of the subcontractor, wages owed to the subcontractor's employees.

Summary: Digest: The Act would repeal the law that denies UI benefits to a person who is unemployed due to an active labor dispute. The Act would make it so that striking workers have an extra unpaid week before they qualify for benefits, which are subject to a possible limit based on the UI tax schedule at the time. The Act would require benefits to be paid back if they are overpaid due to the worker's later receipt of back pay. The Act would make a school district deduct from a worker's future wages benefits charged for weeks during a labor dispute. (Flesch Readability Score: 61.3). Provides that an individual otherwise eligible for unemployment insurance benefits is not disqualified for any week that the individual's unemployment is due to a labor dispute in active progress at the individual's place of employment. Provides that individuals unemployed due to a strike are disqualified for benefits for one week before eligibility begins, with the usual unpaid waiting week, subject to a *[possible]* limit based on the tax schedule in effect at the time. Provides for the collection of benefits overpaid during a strike due to the later receipt of back pay. Requires a school district to deduct from an employee's future wages benefits charged for weeks during a labor dispute.

Summary:

Position	Priority
Monitor	3

Digest: The Act says that diesel will be taxed in the same way that gas is taxed now. The Act increases and adds taxes related to roads, cars, trucks and buses and says how revenue must be used. The Act would make the per-mile road usage charge mandatory over time. The Act would let a person pay a yearly fee instead of the per-mile road usage charge. The Act tells the Division of Audits to do performance audits of ODOT. (Flesch Readability Score: 77.4). Directs the Division of Audits to conduct performance audits of the Department of Transportation. Alters the duties of the Joint Committee on Transportation and the Continuous Improvement Advisory Committee. Provides that the Governor shall appoint the Director of Transportation. Revises the formula for weight-mile taxes. Provides for diesel fuel to be taxed in the same manner as gasoline. Modifies the definition of "combined weight" for purposes of motor carrier regulation. Allows the Department of Transportation to use a motor carrier's registration card as the tax enrollment document instead of the vehicle's weight identifier. Eliminates reinstatement fees for weight identifiers. Increases and adds transportation-related fees and taxes. Provides uses of revenues. Imposes a mandatory per-mile road usage charge for registered owners and lessees of vehicles over time beginning with electric vehicles on July 1, 2026. Allows an annual fee in lieu of the mandatory per-mile road usage charge. Imposes a surcharge on certain vehicle registration fees and recreational vehicle trip permits. Transfers the proceeds of the surcharge to the Abandoned Recreational Vehicle Account. Authorizes the Department of Transportation to provide reimbursements for the costs of towing and disposing of abandoned recreational vehicles. Sunsets the new surcharges, fund and reimbursements on January 2, 2036. Requires studies on various transportation-related subjects. Adds new criteria for the Oregon Transportation Commission to take into consideration when updating the Statewide Transportation Improvement Program. Expands the allowed use of moneys in the Statewide Transportation Improvement Fund to include capital expenses of maintaining existing light rail. Provides for an annual transfer of moneys into the Multimodal Active Transportation Fund.

[Info](#) [Testimony](#)

Position	Priority	Category
Monitor	3	Housing

Summary: Digest: This Act allows for denser home building in cities and requires the LCDC to adopt rules. (Flesch Readability Score: 68.9). Expands allowable middle housing and expands middle housing requirements to include urban unincorporated lands. Expands allowable single room occupancies. Establishes dates by which local governments must implement changes. Makes retroactive the prohibition on private restrictions, including restrictions in governing documents of planned communities, that would limit middle housing, accessory dwelling units or housing density. Becomes operative January 1, 2027. Reforms expedited land division provisions and makes such divisions land use decisions that are exempt from hearing requirements and appeals by opponents. Allows for plats that consolidate a land division and a middle housing land division and requires review within 120 days. Requires the Land Conservation and Development Commission to adopt rules by January 1, 2028, to promote housing development and implement various provisions of this Act. Increases appropriations for rulemaking and for technical assistance grants. Declares an emergency, effective on passage.

Summary: Digest: Creates a tax credit for the amount paid for transmission services for solar or wind power or power storage. (Flesch Readability Score: 62.8). Creates an income or corporate excise tax credit for the amount paid by an owner of an eligible generation facility for transmission services. Directs that the amount paid, for purposes of the tax credit, shall be calculated as the sum of amounts paid by the owner to the Bonneville Power Administration or an electric utility for up to 600 megawatts of the eligible generation facility's nameplate capacity and to other parties. Applies to tax years beginning on or after January 1, 2026, and to eligible generation facilities first placed in service on or after January 1, 2026, and before January 1, 2032. Takes effect on the 91st day following adjournment sine die.
